Artificial Intelligence

- Improved Productivity
- Improved Accuracy
- Cost Efficiency
- Highly Scalable

DISQUALIFICATION OF JURORS BASED ON GENDER
-based on 1998, J. & M. ...

EXHIBIT A.1: Juror Counts

Group	Count
Male	10
Female	10
Total	20

Continia

Document Capture

- Fully Integrated into BC/NAV
- Eliminate Manual Data Entry
- OCR & AI Technology
- PDF & XML
- Order Matching

10,000+

Documents Per Month

60

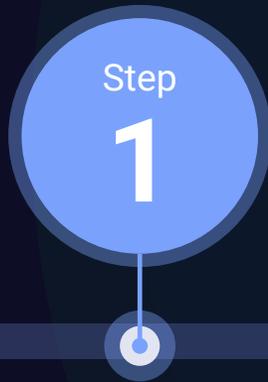

Hours Saved
Per Week

“We now have time to **focus**
on more important tasks.
Continia has given time back
to our AP team”

Wells & Co

Continia Document Capture

A Simple Process

Incoming Invoice

Receive email from vendor with invoice attachment.

Invoice Imported

OCR reads the invoice and imports document into BC/NAV.

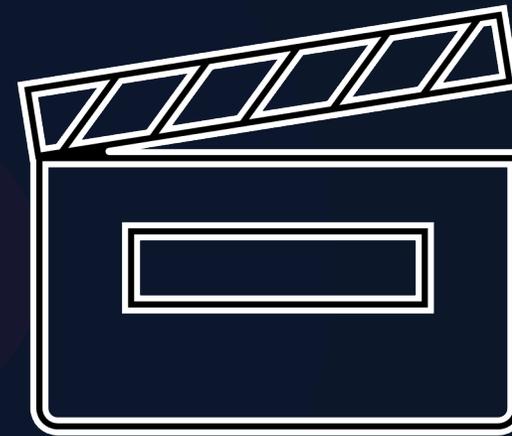

Invoice is created

Invoice is created without manual input in BC/NAV.

Demo

Continia Document Capture

When I was young,
I prayed to god, please let
me excel in life.

My wish came true and
now I Excel every day..

Continia

Expense Management

- Fully Integrated into BC/NAV
- Dedicated Mobile App
- AI Receipt Scanner
- Faster Reimbursement

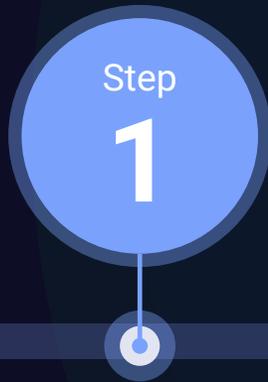

Continia has efficiently improved our expense process, **saving significant time** previously spent on chasing approvals and receipts. This **time gain** allows the team to actively pursue aged debt and address any anomalies!

Wells & Co

Continia Expense Management

A Simple Process

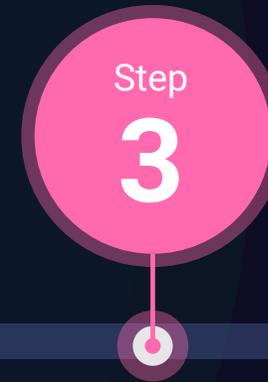

Expense Submission

Employee submits an expense with receipt on the mobile app.

Approval

Expense is automatically sent for approval.

Reimbursement

Expense is posted and is now ready for reimbursement.

Company Credit Cards

Spend on Credit Card

Employee pays with company credit card.

Expense Creation

Expense claim is created automatically from credit card transaction.

Attach Receipt

Employee attaches receipt and submits expense.
